

## 2006 ABRACADABRA – Magical Red Blend Columbia Valley Red Wine

Abracadabra is a blend which uses the same great red varietals and aged in quality oak barrels used in Brian Carter Cellars wines. However the blend varies each year depending on the 'Magic' of the harvest. While using traditional grape varieties, Abracadabra is anything but traditional in its final blend. Instead it is a bit unpredictable, curious, mysterious and amazingly delicious. Dark in color, the wine's aroma has witches hats full of cherries, cedar and tobacco with pinches of anise, bacon and spice. Big flavors show soft, well integrated tannins and food friendly acidity. Be careful or you might fall under the spell of Abracadabra!
