

## Brian Carter Cellars 2008 Abracadabra

**88**  
POINTS

The 2008 Abracadabra is a blend of 11 varieties with Cabernet, Merlot, Syrah, and Sangiovese accounting for 71% of the wine. Medium ruby-colored, it offers up plenty of spice and savory fruit in a forward style that can be enjoyed over the next 3 years. It is a very good value. – *Jay Miller*
