

*A passion for the art of Blending*

**2005 Byzance**  
**Southern Rhone-Style Blend**  
*Columbia Valley AVA*

The 2005 Byzance blend is the second vintage to contain three of the major grapes found in the Southern Rhone Valley of France. The Mourvedre grape a relative newcomer to Washington vineyards brings a certain rustic character to the wine, making it more reminiscent of a *Chateauneuf du Pape*. The aroma brings you onto a sun baked hillside surrounded by scents of wild raspberries, licorice, bay and pepper spice. Seductively balanced, the wine has flavors of black raspberry with well integrated tannins as dark fruit and spice linger on the palate.
