91 **Brian Carter Cellars 2006 Solesce Red Wine (Yakima Valley)**

The extra time has helped to unwrap what must have been an exceedingly compact wine, but it still needs to be decanted and/or cellared further. The black fruits are subservient to the dense, tarry tannins. Everything is ripe, but ripe as fine Bordeaux is ripe, with earth and bark and herb still prominent. **Cellar Selection.** – P.G.
