

Brian Carter Cellars Fact Sheet

Mission Statement: To produce and sell exemplary Washington State Wines in the style of European Blends, while providing reward to our customers, suppliers, and investors.

History: Brian Carter produced his first blend with the 1997 vintage of Solesce. It was Spring of 2006 when the full line of blends was released, making Brian Carter Cellars the first Washington winery to focus entirely on blended wines. In 2006, Brian Carter Cellars opened its current tasting room in Woodinville. In June of 2007, production was moved from the Apex Winery in Sunnyside to Woodinville.
