

2005 ABRACADABRA – Magical Red Blend Columbia Valley Red Wine

Abracadabra is a blend that uses the same great red varietals and European and French oak barrels used in Brian Carter Cellars wines but the blend varies each year depending on the 'Magic' of the harvest. While using traditional grape varieties, Abracadabra is anything but traditional in its final blend. Instead it is a bit unpredictable, curious, mysterious and amazingly delicious. Dark in color, the wine's aroma has witches hats full of blackberries, cedar and tobacco with pinches of anise, tar and spice. Big flavors show soft, well integrated tannins and food friendly acidity. Be careful or you might fall under the spell of Abracadabra!
