

BRIAN CARTER CELLARS

2006 Byzance Southern Rhone-Style Blend Columbia Valley AVA

The 2006 **Byzance** blend is the third vintage to contain three of the major grapes found in the Southern Rhone Valley of France. The Mourvedre grape a relative newcomer to Washington vineyards brings a certain rustic character to the wine, making it more reminiscent of a *Chateauneuf du Pape*. *Deep garnet in color, the aroma brings you onto a sun baked hillside surrounded by scents of dried cherries, rose petals, bay leaf, white pepper and clove spice. Balanced for food and age-ability, the wine has dark fruit and spice flavors which linger on the palate.*
